## Note 6 — Segment Information

The Group's principal operating segment is its grain origination, storage and export subsidiary, Turkestan Grain Holding JSC ("KGE"). KGE operates elevator facilities across the Turkestan region with aggregate licensed storage capacity of 480,000 tonnes. Segment results are reported to the Group's chief operating decision-maker on a basis consistent with the consolidated financial statements above; the operational metrics below are provided for context and are not a substitute for the audited financial statements.

| Selected KGE Operating Data            | Year ended 31 Dec 2025 |
|----------------------------------------|------------------------|
| Licensed storage capacity (tonnes)     | 480,000                |
| Grain elevator facilities in operation | 9                      |
| Rail loading terminals                 | 5                      |
| Average headcount during the year      | 376                    |
| Storage capacity utilisation           | 91%                    |

Operating data are presented for the standalone subsidiary and are unaudited. The subsidiary's financial results are consolidated within the Group statements above.

---

**Note 7 — Property, Plant and Equipment**

---

There were no disposals of property, plant and equipment during the year.
